06 New Construction

- A. Low/Moderate Split and Bedroom Distribution of Affordable Housing Units:
 - 1) The fair share obligation shall be divided equally between low- and moderate-income units, except that where there is an odd number of affordable housing units, the extra unit shall be a

low-income unit. At least 13 percent of all restricted rental units shall be very low income units (affordable to a household earning 30 percent or less of regional median income by household size). The very low income units shall be counted as part of the required number of low income units within the development.

- 2) In each affordable development, at least 50 percent of the restricted units within each bedroom distribution shall be low-income units, including at least 13 percent of the restricted units within each bedroom distribution which shall be very-low-income units.
- 3) Affordable developments that are not age-restricted shall be structured in conjunction with realistic market demands such that:
 - i. The combined number of efficiency and one-bedroom units shall be no greater than 20 percent of the total low- and moderate-income units;
 - ii. At least 30 percent of all low- and moderate-income units shall be two-bedroom units;
 - iii. At least 20 percent of all low- and moderate-income units shall be three-bedroom units; and

This standard may be met by having all one-bedroom units or by having a two-bedroom unit for each efficiency unit.

B. Accessibility Requirements:

- 1) The first floor of all restricted townhouse dwelling units and all restricted units in all other multistory buildings shall be subject to the technical design standards of the Barrier Free SubCode, N.J.A.C. 5:23-7 and the following:

If all of the foregoing requirements in b.1) through b.4) cannot be satisfied, then an interior accessible route of travel must be provided between stories within an individual unit, but if all of the terms of paragraphs b.1) through b.4) above have been satisfied, then an interior accessible route of travel shall not be required between stories within an individual unit; and
 - vi. An accessible entranceway as set forth at P.L. 2005, c. 350 (N.J.S.A. 52:27D-311a, et seq.) and the Barrier Free SubCode, N.J.A.C. 5:23-7, or evidence that Harrison has collected funds from the developer sufficient to make 10 percent of the adaptable entrances in the development accessible:

 - c) The funds deposited under paragraph 6)b) above shall be used by the Town of Harrison for the sole purpose of making the adaptable entrance of an affordable unit accessible when requested to do so by a person with a disability who occupies or intends to occupy the unit and requires an accessible entrance.
 - d) The developer of the restricted units shall submit a design plan and cost estimate to the Construction Official of the Town of Harrison for the conversion of adaptable to accessible entrances.

- e) Once the Construction Official has determined that the design plan to convert the unit entrances from adaptable to accessible meet the requirements of the Barrier Free SubCode, N.J.A.C. 5:23-7, and that the cost estimate of such conversion is reasonable, payment shall be made to the Town's Affordable Housing Trust Fund in care of the Town Treasurer who shall ensure that the funds are deposited into the Affordable Housing Trust Fund and appropriately earmarked.
- vii. Full compliance with the foregoing provisions shall not be required where an entity can demonstrate that it is "site impracticable" to meet the requirements. Determinations of site impracticability shall be in compliance with the Barrier Free SubCode, N.J.A.C. 5:23-7.

D. Maximum Rents and Sales Prices:

- 1) In establishing rents and sales prices of affordable housing units, the Administrative Agent shall follow the procedures set forth in UHAC, utilizing the most recently published regional weighted average of the uncapped Section 8 income limits published by HUD and using the calculation set forth below. Income limits for all affordable units that are created in the Town for which income limits are not already established through a federal program exempted from the UHAC pursuant to N.J.A.C. 5:80-26.1 shall be updated by the Town annually within 30 days of the publication of determinations of median income by the Department of Housing and Urban Development ("HUD") as follows:
 - i. Regional income limits shall be established for the region within which the Town is located based on the median income by household size, which shall be established by a regional weighted average of uncapped Section 8 income limits published by HUD. To compute this regional income limit, the HUD determination of median county income for a family of four is multiplied by the estimated households within the county according to the most recent decennial Census. The resulting product for each county within a housing region is summed. The sum is divided by the estimated total households from the most recent decennial Census in the Town's housing region. This quotient represents the original weighted average of median income for a household of four. The income limit for a moderate-income unit for a household of four shall be 80 percent of the regional weighted average median income for a family of four. The income limit for a low-income unit for a household of four shall be 50 percent of the HUD determination of the regional weighted average median income for a family of four. The income limit for a very low-income unit for a household of four shall be 30 percent of the regional weighted average median income for a family of four. These income limits shall be adjusted by household size based on multipliers used by HUD to adjust median income by household size. In no event shall the income limits be less than those for the previous year.
 - ii. The income limits are the result of applying the percentages set forth in paragraph (i) above to HUD's determination of median income for the fiscal year 2019 and shall be utilized until the Town updates the income limits after HUD has published revised determinations of median income for the next fiscal year.
 - iii. The Regional Asset Limit used in determining an applicant's eligibility for affordable housing pursuant to N.J.A.C. 5:80-26.16(b)(3) shall be calculated by the Town annually by taking the percentage increase of the income limits calculated pursuant to paragraph (i) above over the previous year's income limits and applying the same percentage increase to the Regional Asset Limit from the prior year. In no event shall the Regional Asset Limit be less than that for the previous year.
 - iv. The resale prices of owner-occupied very low-, low- and moderate-income units may increase annually based on the percentage increase in the regional median income limit for each housing region determined pursuant to the above methodology. In no event shall the maximum resale price established by the administrative agent be lower than the last recorded purchase price.
 - v. The rent levels of very-low-, low- and moderate-income units may be increased annually based on the percentage increase in the Housing Consumer Price Index for the Northeast Urban Area, upon its publication for the prior calendar year. This increase shall not exceed nine percent in any one year. Rents for units constructed pursuant to low income

housing tax credit regulations shall be indexed pursuant to the regulations governing low income housing tax credits.

- 2) The maximum rent for restricted rental units within each affordable development shall be affordable to households earning no more than 60 percent of median income, and the average rent for restricted rental units shall be affordable to households earning no more than 52 percent of median income.
- 3) The developers and/or municipal sponsors of restricted rental units shall establish at least one rent for each bedroom type for both low-income and moderate-income units, provided that at least 13 percent of all low- and moderate-income rental units shall be affordable to very low-income households, which very low-income units shall be part of the low-income requirement.
- 4) The maximum sales price of restricted ownership units within each affordable development shall be affordable to households earning no more than 70 percent of median income, and each affordable development must achieve an affordability average of 55 percent for restricted ownership units; in achieving this affordability average, moderate-income ownership units must be available for at least three different sales prices for each bedroom type, and low-income ownership units must be available for at least two different sales prices for each bedroom type.
- 5) In determining the initial sales prices and rent levels for compliance with the affordability average requirements for restricted units other than assisted living facilities and age-restricted developments, the following standards shall be used:
 - i. A studio shall be affordable to a one-person household;
 - ii. A one-bedroom unit shall be affordable to a one and one-half person household;
 - iii. A two-bedroom unit shall be affordable to a three-person household;
 - iv. A three-bedroom unit shall be affordable to a four and one-half person household; and
 - v. A four-bedroom unit shall be affordable to a six-person household.
- 6) In determining the initial sales prices and rents for compliance with the affordability average requirements for restricted units in assisted living facilities and age-restricted developments, the following standards shall be used:

 - ii. A one-bedroom unit shall be affordable to a one and one-half person household; and
 - iii. A two-bedroom unit shall be affordable to a two-person household or to two one-person households.
 - iv. The initial purchase price for all restricted ownership units shall be calculated so that the monthly carrying cost of the unit, including principal and interest (based on a mortgage loan equal to 95 percent of the purchase price and the Federal Reserve H.15 rate of interest), taxes, homeowner and private mortgage insurance and condominium or homeowner association fees do not exceed 28 percent of the eligible monthly income of the appropriate size household as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the price shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.
 - v. The initial rent for a restricted rental unit shall be calculated so as not to exceed 30 percent of the eligible monthly income of the appropriate size household, including an allowance for tenant paid utilities, as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the rent shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.
- 7) The price of owner-occupied low- and moderate-income units may increase annually based on the percentage increase in the regional median income limit for each housing region. In no event shall the maximum resale price established by the Administrative Agent be lower than the last recorded purchase price.
- 8) The rents of very low-, low- and moderate-income units may be increased annually based on the permitted percentage increase in the Housing Consumer Price Index for the Northeast Urban Area. This increase shall not exceed nine percent in any one year. Rents for units constructed pursuant to low- income housing tax credit regulations shall be indexed pursuant to the regulations governing low- income housing tax credits.

07 Utilities

- A. Affordable units shall utilize the same type of heating source as market units within an inclusionary development.
- B. Tenant-paid utilities included in the utility allowance shall be set forth in the lease and shall be consistent with the utility allowance approved by the NJDCA for its Section 8 program.

- B. The affordability control period for a restricted ownership unit shall commence on the date the initial certified household takes title to the unit.
- C. Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the Administrative Agent shall determine the restricted price for the unit and shall also determine the non-restricted, fair market value of the unit based on either an appraisal or the unit's equalized assessed value without the restrictions in place.
- D. At the time of the initial sale of the unit, the initial purchaser shall execute and deliver to the Administrative Agent a recapture note obligating the purchaser (as well as the purchaser's heirs, successors and assigns) to repay, upon the first non-exempt sale after the unit's release from the restrictions set forth in this Ordinance, an amount equal to the difference between the unit's non-restricted fair market value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.
- E. The affordability controls set forth in this Ordinance shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to restricted ownership units.

- B. Notwithstanding the foregoing, the Administrative Agent may, upon approval by the Town Council, and may be subject to approval by the Court appointed Special Master or the Court, permit a moderate-income purchaser to buy a low-income unit if and only if the Administrative Agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the housing region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low income purchaser, including pricing and financing incentives, have failed. Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit.
- C. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.
- D. The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, taxes, homeowner and private mortgage insurance and condominium or homeowner association fees, as applicable) does not exceed 33 percent of the household's eligible monthly income.

- B. With the exception of First Purchase Money Mortgages, neither an owner nor a lender shall at any time cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95 percent of the maximum allowable resale price of the unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C.5:80-26.6(b).

13 Capital Improvements to Ownership Units

- A. The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of capital improvements made since the purchase of the unit. Eligible capital improvements shall be those that render the unit suitable for a larger household or that add an additional bathroom. In no event shall the maximum sales price of an improved housing unit exceed the limits of affordability for the larger household.
- B. Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or were included when the unit was initially restricted (for example, refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The owner and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

- A. The Town of Harrison shall adopt by resolution an Affirmative Marketing Plan, subject to approval of the Court that is compliant with N.J.A.C. 5:80-26.15, as may be amended and supplemented.
- B. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital or familial status, gender, affectional or sexual orientation, disability, age or number of children to housing units which are being marketed by a developer, sponsor or owner of affordable housing. The Affirmative Marketing Plan is intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that directs marketing activities toward Housing Region 1 and is required to be followed throughout the period of restriction.
- C. The Affirmative Marketing Plan shall provide a regional preference for all households that live and/or work in Housing Region 1, comprised of Bergen, Hudson, Passaic, and Sussex Counties.
- D. The municipality has the ultimate responsibility for adopting the Affirmative Marketing Plan and for the proper administration of the Affirmative Marketing Program, including initial sales and rentals and resales and rerentals. The Administrative Agent designated by the Town of Harrison shall implement the Affirmative Marketing Plan to assure the affirmative marketing of all affordable units.
- E. In implementing the Affirmative Marketing Plan, the Administrative Agent shall provide a list of counseling services to low- and moderate-income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.
- F. The Affirmative Marketing Plan shall describe the media to be used in advertising and publicizing the availability of housing. In implementing the Affirmative Marketing Plan, the Administrative Agent shall consider the use of language translations where appropriate.
- G. The affirmative marketing process for available affordable units shall begin at least four months (120 days) prior to the expected date of occupancy.
- H. Applications for affordable housing shall be available in several locations, including, at a minimum, the County Administration Building and/or the County Library for each county within the housing region; the municipal administration building and the municipal library in the municipality in which the units are located; and the developer's rental office. Applications shall be mailed to prospective applicants upon request.
- I. The costs of advertising and affirmative marketing of the affordable units shall be the responsibility of the developer, sponsor or owner.

20 Enforcement of Affordable Housing Regulations

- A. Upon the occurrence of a breach of any of the regulations governing an affordable unit by an Owner, Developer or Tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
- B. After providing written notice of a violation to an Owner, Developer or Tenant of a low- or moderate-income unit and advising the Owner, Developer or Tenant of the penalties for such violations, the municipality may take the following action(s) against the Owner, Developer or Tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 - 1) The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation or violations of the regulations governing the affordable housing unit. If the Owner, Developer or Tenant is adjudged by the Court to have violated any provision of the regulations governing

affordable housing units the Owner, Developer or Tenant shall be subject to one or more of the following penalties, at the discretion of the Court:

- i. A fine of not more than \$500.00 per day or imprisonment for a period not to exceed 90 days, or both, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
 - ii. In the case of an Owner who has rented a low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Town of Harrison Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - iii. In the case of an Owner who has rented a low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.
- 2) The municipality may file a court action in the Superior Court seeking a judgment that would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any such judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low- or moderate-income unit.
- i. The judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the low- and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating Owner shall have his right to possession terminated as well as his title conveyed pursuant to the Sheriff's sale.
 - ii. The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating Owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the Owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the Owner shall make a claim with the municipality for such. Failure of the Owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the Owner or forfeited to the municipality.
 - iii. Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
 - iv. If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the low- and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.
 - v. Failure of the low- and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the municipality, with

such offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.

- vi. The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the Owner.
